

As scientists we will be...

- Naming and identifying different materials
- Grouping different materials
- Describing the simple properties of materials

As writers we will be...

- Retelling traditional tales
- Recounting our own experiences
- Reporting on our topic work

As mathematicians we will be...

- Counting
- Ordering
- Comparing
- Adding (within 10)
- Subtraction (within 10)

As geographers we will be...

- Learning about London
- Mapping our local areas
- Developing our sense of direction
- Learning compass skills

Using our computing skills we will be using programmable toys.

- Directional language
- Precise instructions
- Predicting behaviour
- Debugging

In PE we will be...

great at Multisports!

We will try lots of different sporting skills.

Year 1

Autumn 1

As artists and designers we will be...

exploring how to draw using a range of materials.

In RE we will be discovering...

how harvest is celebrated in Christianity and Judaism

In PSHE we will be exploring...
Being me in my world

Our Learning Questions

- Why did the third little pig build his house out of bricks?
- Could you ever be tired of London?

Homework:

Mathematics and writing homework is set on Thursday to be returned the following Tuesday. Children are expected to read for 20 minutes and to practise maths facts and spellings daily.
