

As scientists we will be...

- Identifying & comparing everyday materials
- Exploring how to change the shape of solid objects
- Choosing suitable materials for purpose.

As writers we will be...

- Writing a re-telling of a traditional tale
- Using a time line to help us write a recount

As mathematicians we will be...

- Counting, ordering and comparing
- Addition and subtraction (within 100)
- Doubling

As historians we will be...

- Finding out about a significant local historical event
- Discovering events which happened before living memory

Year 2

Autumn 1

As artists and designers we will be...

- Drawing based on David Hockney.

Using our computing skills we will be coders.

- Creating algorithms
- Repeating code

Our Learning Questions

- Which material would make the best wellies?
- Why can't we go on safari in London?

In RE we will be discovering...
What is important to Jews?

In PSHE we will be exploring...
being me in my world

In PE we will be...
great at Multisports!

We will try lots of different sporting skills.

Homework:

Mathematics and writing homework is set on Wednesdays to be returned the following Tuesday. Children are expected to read for 20 minutes and to practise maths facts and spellings daily.
