Important Dates

## Fab First Aid

The SATs are over. We are very proud of our super year 6 children who have worked so hard to prepare for these tests. Today they have had a trip to the park in the sunshine to play some sport and read in the shade. They have lots of super project work to look forward to now as well as preparing for their end of year show.

We have secured funding for all of our year 6 children to have an intensive swimming course so that they can catch up on the lessons that they missed during lockdown.

Everyone at school has had first aid training this week. We have learnt what to do if there is an emergency and how to look after people who are injured.

The Nursery, Reception and Year one Family Friday events have been more popular than ever since they re-started. We have decided to include all year groups and there will be sessions in all classes after the half term break where family members will be welcomed in to share books with the children.

The School Council are keen to do some fundraising and have been putting plans in place to start an after school tuck shop. We hope to bring you more details very soon.

Have a good weekend. Please stay safe and do plenty of reading.  
Janet Taylor

**Half Term**  
Monday 30<sup>th</sup> May – Friday 3<sup>rd</sup> June 2022

**Sports Week**  
Tuesday 7<sup>th</sup> – Friday 10<sup>th</sup> June 2022

# Children's Centre

In Rainbow Nursery, we had a great time dressing up to celebrate Eid!

# Amazing learning at MORNINGSIDE

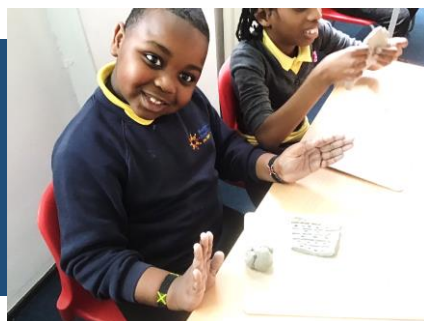

What a fantastic time the am nursery class have had a forest school! We learned how to climb trees, build birds nests and make food for the animals.

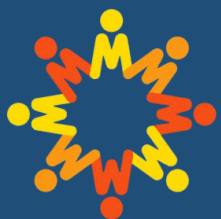

Reception have had a busy week searching for minibeasts, building a wormery and observing the seeds we planted.

In our RE lessons, Year 1 are learning about Hanukkah, we made hanukkiah's.

Year 2 have been creating clay tiles. We experimented with the clay by using different techniques. We used tools to create impressions and relief images. Our work is inspired by Ladi Kwali and Kate Malone.

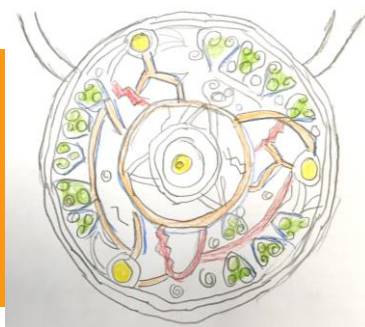

# Amazing learning at MORNINGSIDE

Fantastic scavenger hunt in Science, exploring nature to find different types of plants. Year 3 found some beautiful plants and flowers and began to identify the different parts, such as the ovule and the stem.

To conclude our study of the Roman Empire in History, Year 4 took part in an archaeological dig. We uncovered some Roman artefacts, and speculated as to what they were, and what they may have been used for.

In Year 5, the pupils have been learning all about the Anglo Saxons. In their last lesson they designed their very own Anglo Saxon jewellery which included a ring, a sword, a bracelet, a necklace and a brooch.

Year 6 began production preparations these past few weeks and loved every minute! Huge thanks to Bigfoot Arts Education for an exciting, engaging and inspiring morning - the children can't wait for next coming weeks!
