

Curriculum Overview: History and Geography

Curriculum Overview: History and Geography

Discovering the past, present, here, there and now

Our thematic curriculum supports children to develop their key skills in History and Geography. These can then be transferred into other situations; ICT, applied Maths and Literacy skills are also developed alongside each theme. Our units are carefully chosen to match the national curriculum and best support our cohorts of children to learn about their own heritage and that their immediate locality.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
