Dear Parents and Carers of children in year 5,

We are very excited to be taking part in a very exciting theatre / writing project that has been funded by one of our school governors and is for all of the children in year 5. It is called Playmakers.

Playmakers is a creative writing course for KS2 students. During Playmakers, your child will work with fantastic facilitators to explore how a play is made, they will be invited to see a mystery performance and then create their very own plays! The plays they create will then be performed by professional actors in a showcase at a West End theatre.

To start this project the children have a free trip to see a West End theatre production. The theatre trip is on **Tuesday 1st November**.

We are leaving after lunch. Please ensure that your child is wearing school uniform and has comfortable shoes and a waterproof coat.

Arrival time back at Morningside (front playground): 5pm (approx.)

Please complete and sign below. We will share more details about the project after half term.

Best wishes

Janet Taylor

☐ I will collect my child from Morningside at approximately 5pm on Tuesday 1st November

☐ My child has permission to walk home alone after the theatre trip
