Spelling Bee
Thursday 30th March
Break up for Easter
Friday 31st March
Return to school
17th April
Parents' Evening
Monday 24th April

In the News this week.....

The appeal for donations for Turkey and Syria was led by a group of parents this week. By the end of the day on Wednesday we had a room full of warm clothes, nappies, blankets etc. that has already been sent to these areas. The generosity of the Morningside community is truly amazing and has been celebrated with the children and on our social media. Thank you.

Our Play Team continue to lead on a wide range of creative and interesting activities for the children to take part in at lunchtimes. We have recently introduced new dressing-up clothes which are very popular. If you have any that your child has grown out of please send them in.

If you don't do so already I urge you to follow us on Twitter and to use Marvellous Me. These will keep you updated on your child's learning, keep you informed about events and workshops at school and is certain to put a smile on your face.

Details of half term Play Schemes in Hackney can be found by clicking [here](#)

If you think that you may be eligible for free school meals please click [here](#) to check

Question of the week: If you were going to spend the whole day outside, what activities would you do?

Our Learning this week...

What's happening in the news this week?

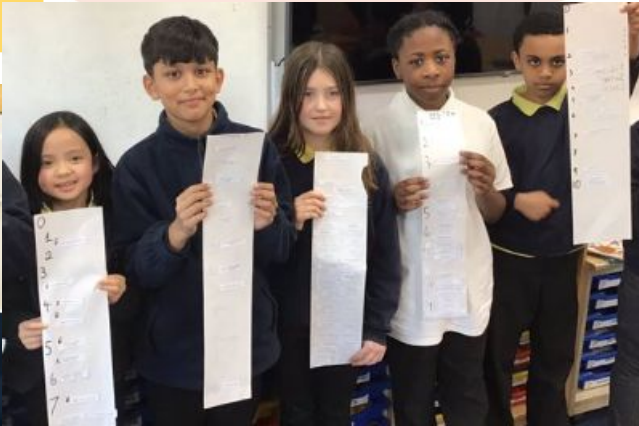

Please talk to your children about their assembly learning this week

Democracy

If we do not agree with something or do not think it is fair, we can use our voices to make changes.
Wales' national men and women's football teams will now receive equal pay.

Year 3 painted cityscapes inspired by the work of Makeda Bizuneh and Paul Klee using colour theory and watercolour techniques

Year 5 thought about their internet milestones as part of Safer Internet Day

The children in Early Years have loved learning about Chinese New Year

Enjoying the mud at Forest School

Year 4 had important conversations about how to stay safe online

Year 2 learnt how to divide by sharing and discussed whether the skip counting method was more efficient.

Year 1 exploring the concept of partitioning using Numicon to represent number choices

Developing number skills to support your children (Multiply)

In this course we will share practical strategies to support your children with maths, developing your own numeracy skills and understanding of the maths curriculum
