Tuesday 28th March
Spelling Bee
Thursday 30th March
Break up for Easter
Friday 31st March
Return to school
17th April
Parents' Evening
Monday 24th April

In the News this week.....

In our assemblies we have talked about deforestation and the children were shocked by some of the things they learned about Brazil. We discussed how laws are made and the importance of protecting the natural world.

Well done to our Reception children who had their first sharing assembly this morning. They did very well and were very proud of their learning. Our football team were beaten 13-0 by St John and St James and are already planning how to improve and getting ready for the next fixture. I truly admire the good sporting behaviour that they demonstrated.

Year 6 visited the Ben Kinsella Trust (see picture above) and took part in workshops where they learned about keeping safe and the dangers of knife crime.

Next week we have a focus on internet safety. Your child will be telling you all about how to stay safe online. We will also be continuing to celebrate Chinese New Year with dance workshops on Wednesday.

Wishing everyone a safe and happy weekend.

If you think that you may be eligible for free school meals please click [here](#) to check

Question of the week: What do you think your life will be like in the future?

Our Learning this week...

**British
Values**

Rule of Law

Rules and laws can be put in place to help protect the natural world. We are all responsible for these rules and laws.

Please talk to your children about their assembly learning this week

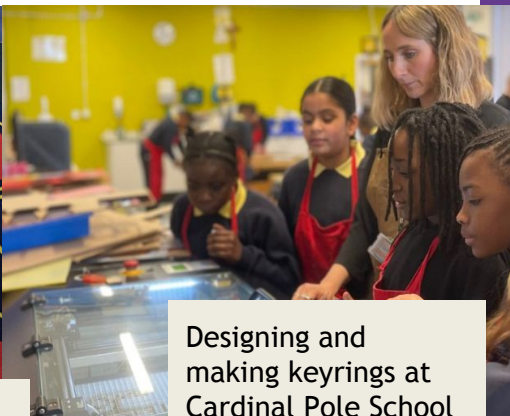

What's happening in the news this week?

Monday 30th January

Designing Martians

Designing and making keyrings at Cardinal Pole School

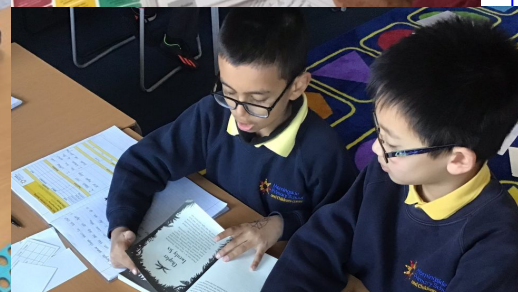

Planning a debate

Learning about Australia

Exploring odd and even numbers

Giving each other helpful feedback to improve our reading

Celebrating Success

In assemblies on Friday we celebrate all of the children. There are awards for different areas of the curriculum and Stars of the Week certificates for children who are consistently observing our 3 school rules and being **READY, RESPECTFUL** and **SAFE**. Photos of certificate winners are shared on our website, on Instagram and on Twitter each week

Forming our own opinions on space exploration
