In the News this week.....

Despite being a shorter week than usual for the children we have got lots done at Morningside.

The support staff have been very busy collecting and organising more resources for our fabulous playgrounds. We are planning a play day for families so that you can join in and see what happens when there is lots of equipment mixed with some wonderful imaginations. Outdoor learning is very important at Morningside. Our picture above shows Reception children at Forest School learning how to be responsible citizens and having lots of fun at the same time.

Today we have had fun and games celebrating Red Nose Day. The bake sale and donations from parents will be totalled up and I will let you know how much we raised as soon as possible. The children in years 1-6 have brought home their Spelling Bee words to learn ready for the heats next week. Many of them are already planning their creations for the Easter Bonnet contest (these should be brought to school on Tuesday 28th March) and year 2 are getting ready to show parents, carers and friends of the school their fabulous African drumming and dancing skills in their performance on Wednesday 29th March at 9.30am.

Have a lovely weekend

If you think that you may be eligible for free school meals please click [here](#) to check

Question of the week: What is the best book that you have ever read and why?

Our Learning this week...

**British
Values**

Rule of Law

As we move into the future, things develop, change and modernise. Rules and laws will sometimes need to be updated because of this.

Please talk to your children about their assembly learning this week

What's happening in the news this week?

Monday 13th March 2023

In Reception we have created some beautiful independent art work this week

Year 4 Geographers discussing why earthquakes happen as part of their work on tectonic plates

Year 3 used their scientific skills to try to find out if the size and shape of magnets affects their strength

Year 2 used Dienes to add 2-digit numbers by partitioning

Year 5 used their knowledge of arrays and factors to make rectangles from multilink

Year 1 were TV producers in their computing lessons this week. They listened to each other's ideas and worked well as a team.

PERFORMING ARTS CLASSES & HOLIDAY COURSES

EASTER HOLIDAY COURSE

Join the award-winning school for a musical theatre course, 3rd - 6th April based in E20. Students will create their own musical which will be performed to friends and family at the end of the week.

To find out more and book your space visit the website.

TERM-TIME CLASSES

As well as holiday courses, the Anna Fiorentini School holds classes every weekend in term-time. Students follow a timetable of singing, acting, dance and acting for screen. These classes are proven to increase **confidence & self-esteem** all whilst having fun in a **safe & supportive environment**. Opportunities are also available for those who want to enter the professional industry through the school's **Talent Agency**.

Book your obligation-free taster day today for the Summer 2023 term today.

Open to 4-18 years.

SCHOLARSHIPS & BURSARIES

The Anna Fiorentini School is passionate about ensuring that all young people, regardless of their socio-economic background can benefit from the arts. In partnership with the Fiorentini Foundation the school is able to offer a limited number of scholarships & bursaries each term. Get in touch with the team to discuss this further and apply to the Trustees.
