

At Morningside we recognise the contribution of PE to the health and well-being of the children. We believe that daily exercise combined with an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement all our children.

Sports Premium funding has enabled us to continue and extend our provision through employing additional sports coaches, entering into more competitive sports competitions, providing additional swimming lessons and training our staff to deliver high quality PE and Games sessions. Our aim is for everyone in the school community to lead an active lifestyle.

Primary School Sports Funding

Information about the Government initiative for funding sport in primary schools can be found at: <http://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools>

Schools receive £16,000 plus £10 of additional payment per pupil.

The government provides funding for additional and sustainable improvements to the quality of PE and sport that schools offer. The money goes directly to primary school Head teachers.

Key Indicators where we are seeking to continuously improve:

1. the engagement of all pupils in regular physical activity
2. the profile of PE and sport is raised across the school as a tool for whole-school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

How Morningside planned to use the funding in 2024-25:

- Professional development opportunities for staff
- We released staff to attend a wide range of events in all areas of the PE curriculum
- Increased participation in inter and intra-school games
- Providing a range of opportunities for pupils to take part in new sports and for enrichment activities after school and at lunchtime
- Providing places for pupils on after school sports clubs

PRIMARY PE SPORTS GRANT REVIEW 2024-25: reviewed by SLT in June 2025

Primary PE Sport Grant Awarded	
Total amount received by Morningside 2024-25	£ 18,000
Summary of PPSG 2024-25	
Objectives for PPSG spend: <ul style="list-style-type: none"> ▪ To broaden the sporting opportunities available to Morningside pupils ▪ To include more pupils in competitive sport through entering a wide range of competitions at all age ranges ▪ To develop a love of sport and physical activity through embedding physical activity into the school day ▪ To provide additional swimming provision targeted to pupils not yet able to meet the requirements of the national curriculum ▪ To target support at the least physically active pupils ▪ To ensure improvements in provision are sustainable 	

Action Plan 2024-25			
Project / item	Cost	Objective	Outcome/ impact
Specialist Sports Coach	£1,500	Develop additional adult's understanding of how best to support in PE	Observation shows additional adults confidently support children's skill development during PE lessons by using accurate vocabulary and effective strategies (e.g. giving clear instructions or modelling how to hold a bat correctly).
Playground equipment	£1 000	High quality equipment to be used for playtimes to be purchased ensuring all playtimes are well resourced for all children to participate in physical activities	Additional bikes and scooters enable more children to develop a wide range of physical skills. All equipment has been serviced to ensure it is still fit for purpose and safe for children to use.
Holiday Camps	£2 000	To provide vulnerable pupils with places in half term and summer sporting camps.	12 vulnerable children attended Easter and half-term camps across the year, where they took part in daily physical activities and learned practical strategies to support their mental wellbeing.
Training for all staff to encourage active play during break times and lunchtimes	£3 000	To continue to train all adults and organise the outside areas to enable ALL pupils to be significantly more active including girls, pupils with SEND and children who identify as being "non-sporty"	All staff received training to promote active play at breaktimes. As a result, children are now regularly engaging in a wide range of outdoor games and activities that develop problem-solving skills and support physical fitness. Pupil feedback about playtimes is consistently positive, reflecting high levels of engagement and enjoyment.
Coaching support costs from specialist provider	£2 500	To enable pupils to have expert coaching in non-contact PE and Games: <ul style="list-style-type: none"> • Dance • Athletics • Yoga and mindfulness • Tag Rugby • Dodgeball • Gymnastics 	Morningside has a football, netball, dodgeball and a tag rugby team who enter competitions outside school. Daily mindfulness is timetabled daily and all classes engaged in yoga sessions.
After School Clubs	£5000	To provide children with extra outdoor experiences in a range of sports	After school provision is very popular and all subsidised places are full. Pastoral team worked with children and families to ensure that the most vulnerable and disadvantaged were given priority. We offer sports related clubs every day after school and these are led by our sports coach. Both KS1 and KS2 have clubs and there is a variety of sports on offer.
Youth Sports Trust Membership	£200	Staff to access CPD courses, networking opportunities; to share best practice and to use the YST review toolkit to achieve the YST quality mark	The school is working towards achieving a School Games Kite Mark Award.

Sports competitions and sports festivals	£2000	To give children greater opportunity at believing, achieving and succeeding in inter school competitions.	Children have taken part in a variety of sports events: Dragon Ball Hackney Mile Football Netball Tag Rugby Personal Bests
P.E Competition kits	£500	To purchase new school competition kit	School teams have a dedicated kit to wear fostering pride in our teams.
Swimming	£1000	Additional tuition for year 6 pupils during the summer term	Year 6 class have completed their additional 2-week intensive swimming course. 72% met National Curriculum requirements.
