# A good deed could be...

- Picking up all the litter you see in your street
- Finding a food bank and volunteering for a day
- Explaining why eating vegan once a month can help the planet
- Saying “good morning” to everyone you meet for a week
- Asking the name to 5 neighbours and remember them
- Bringing flowers to someone lonely in your street
- Refusing to go to school by car for a month
- Volunteering to turn off your classroom lights at the end of the day

...or anything that can make our community a better place!

There are countless ways to help.
